Good Morning Julianne,

I haven't talked with you in a while....I thought I'd update you on what's going on here and see what progress you have been making on the petition.

We forwarded the statutory language for out criminal statutes a couple months ago. I haven't heard anything else about those.

Our Atty. General's office is updating the AG's statement part of the package. It is being reviewed by the administration currently.

We are reviewing and updating the Program Description and Memorandums between OEPA and ODNR and ODA where needed.

I would hope that we can get you all the documents by late November or December.

We are also doing our required 5 year rule reviews of any rules not reviewed or changed in the past 5 years. Nothing major proposed regarding NPDES sections.

Any idea on timeline for the completion of response to Vicki Askins petition?

Hope things are going well and you are recovering from the shutdown and resulting workload backlogs...

Take Care!
